THE BRUTAL MURDER of Muammar Gaddafi by Zionist-owned Libyan insurgents is an example of what happens to political leaders who defy international Jewish bankers.

Gaddafi refused to do the bidding of the Rothschild-centered global banking cartel in 5 areas:

IN JULY OF 2011, the son and heir apparent of Muammar Gaddafi, Saif al-Islam, stated that it wasn't just Libya's 'black gold' (oil) that the Zionist West wants, but Libya's 'blue gold' (water) – the some 500 miles of the Nubian Sandstone Aquifer System that lies beneath Libya's surface.

The Nubian Aquifer is the only fresh water source that remains in North Africa and thus is the focus of what has become known as "Water Wars."

Two French water firms, the largest in the world, Veolia and Suez SA," says al-Islam, want to own the Nubian Aquifer, since they will make countless billions in profit from food grown from the water.

Both Veolia and Suez SA, like all multinational corporations, are doubtless funded by Jewish finance capital. And Louis Dreyfus International, a Jewish French firm, would apparently be the food broker.

Al-Islam points out that every IMF and World Bank loan, both controlled by Zionist Jewry, is issued on the condition that the victim-nation sells its water supplies to private investors. View Entire Story Here, Here, Here & Here.

It appears that Saif al-Islam's testimony against Zionist Jewry has been silenced forever as he has been reportedly encircled by the Zionist-owned Libyan insurgents on October 20, 2011, the same day his father was captured and mercilessly murdered.

Gaddafi's main threat to International Jewry's Banking Cartel was his plan for a common African currency—the gold-backed Libyan dinar—which would have replaced the all fiat-issued US dollar, British pound, and French franc as the main currency in Africa.

Jewish banking interests were clearly at stake as the US dollar is maintained by the Jewish-run Federal Reserve Bank; the British pound by the Jewish-run Central Bank of England; and the French franc by the Jewish-run Banque de France.

Is it any surprise then that the three major invaders of Libya — America, England, and France — whose Zionist-bought leaders: Obama, Cameron, & Sarkozy, are praising the brutal and slow

murder of Libyan chief, Muammar Gaddafi?

No, it is no surprise at all. View Entire Story Here, Here & Here.

ZIONIST BLOOD THIRST

CALLING FOR BOOTS on the ground, Jewish president of the Council on Foreign Relations, Richard Haass, after admitting that the Libyan invasion was to oust Gaddafi via "regime change" — sought a US-led NATO occupation of Tripoli.

In a quick follow-up to Haass' blood thirsty call, Jewish neocon Philip Zelikow, former US State Department Counsellor and 9/11 Commission Head, wrote that "Gaddafi's fall" would spark a "Democratic Spring" (read Jewish puppet governments) throughout the Arab world.

Leading the Zionist fray, it was the same Jewish sleaze balls who brought us the Iraq War through their lies about Saddam's 'weapons of mass destruction,' namely, the "Project for a New American Century," now reincarnated as, "The Foreign Policy Initiative," who urged in their June 2011, "Open Letter To House Republicans," the toppling of Muammar Gaddafi.

THE SIGNATORIES to the Letter read like an invitation to a Bar Mitzvah…this time a very bloody one indeed:

And of course, the leader of the Zionist rat pack, Jewish neocon William Kristol, apparently dictates US military policy as evinced in this Fox News interview: “No we cannot leave Gaddafi in power and we won’t leave Gaddafi in power.”

Kristol and his fellow blood-thirsty Jews have now seen their dream come true.

In violation of both International Law and the Geneva Convention’s prohibition of the mutilation of prisoners of war, Muammar Gaddafi is now among the Zionist-murdered dead.

Like many recent events, like increasing the Wiesel expose', maybe the world will wake up from its slumber and see what happens to the Elitists' puppets when they try to cut the strings. Its a long list.

Anyone who thinks Libya is better off is a fool.

The bloodshed has only started.

The West embraced Gaddafi for decades and now call him the worst dictator ever.

There is no morality in politics of oil, gold and water.

No matter how wrong some people thought Gaddafi may have been he stood up against the American policing.

If Gaddafi was such a villain by International Law he deserved a trial.

All those rejoicing in his brutal death beware and pray that 'they' don't do it to you too!!'

There is no victory in those images.

Just the tragic loss of all humanity.

Tragic loss to our security and our freedom should we not abide by their rules.

My conscience does not allow me to celebrate Gaddafi's brutal death.

Having no faith in justice anymore the future from now on looks grim.

Those greedy bastards can reach anyone of us everywhere!!!!!!!!

God only knows what will happen to all that now that their country has been trashed and left

Brother,

This is all very interesting but I'm afraid it's probably all in vain. At least in this world.

People are just too stupid all by themselves, not to speak of the stupifying media and the general conditions which make them chase some income and not have time to read a book and think about things.

People need a Leader and they have had false leaders for too long.

GADAFI ESTABLISH not allowed its currency and humiliate dollar and Euro, So touched the Osinjak and because he paid a very high price ….

“It was a mistake to kill Gaddafi”

NATO said in a statement he wrote that their pilots were not aware that one of the cars in the convoy is the Gaddafi moments when attacked. “It was a mistake to kill Gaddafi,” because the murder would have great percussion on the whole world, and maybe start a world war.

“Under international law, international humanitarian rules in force during armed conflict. And what is happening in Libya’s military aggression through the fifth column of its own people. These rules are listed in the Geneva Conventions, which are effective from 40-ies”

The prisoner is entitled to medical assistance.

Recall that according to these conventions, a person trapped in armed conflict are entitled to a special procedure, which includes providing medical assistance if the prisoner was injured. “They should kill him!”

Surrounding the death of Gaddafi, quarrels broke out in the Russian parliament; it finally voted no statement on Libya in which to express sympathy for Gaddafi’s death.

Many Russian politicians have praised Muammar Gaddafi. The president of the Liberal Democrats, Vladimir Zhirinovski, called him “Karl Marx and African Libyan Giuseppe Garibaldi.”

The adoption of the statement were the Communists and Just Russia party … but the big and powerful states have the power, money and modern weapons and they are the rulers of the world, and international laws and resolutions have them for a mockery and laughter.

Of all the 13 gazillion theories about Libya and Gaddafi I've heard, this is the only one that makes any sense.

Of course, it gets more complicated when you consider how NATO was manipulated into doing the Zionists' dirty work, but that too is all in a day's work for the Zionist Mafia.

Well done as usual, BN.

Fola

October 21, 2011 @ 2:55 pm

Well done +BN, well done. I hope that your readers will view the links on your article.

The same side show is underway in Syria. Zionist 'assets' posing as 'freedom fighters.'

Somalia, Uganda, Kenya and Ethiopia are also now being drawn into the ever morphing and enlarging Zio-Beast conquest.

And as has been recently demonstrated, criticism will get you 'droned' !

American ground forces are reportedly preparing for an invasion into Pakistan.

Meanwhile, all Israel and American Zio-puppets are clapping hands and singing, "Bomb, Bomb, Bomb, Bomb Bomb Iran."

What really blows me away though, is that in spite of all that's taken place and all that is on the horizon, these are yet only "The Beginning of Sorrows."

In closing I would reflect that if the truth were known, and actions speak louder than words, there has not been a single leader in Europe, or the U.S, that has done as much for their own country, as Qaddafi had for Libya.

Well - that does it!

In less than four score years - we have transformed from a nation of at least relatively decent - relatively moral - relatively informed people into nothing less than a land of imbeciles, morons, hypocrites, and soulless bloodthirsty murderers.

I will wager my pink slip that not ONE of my ‘esteemed’ NFL Stupid Bowl fanatic neighbors has a CLUE as to the significance of these serial murders for the greater glory of IsraHELL.

The ONLY reason that patriots like Brother Nathanael and I have not been murdered YET - is that we are not yet an important enough threat to a total Jewish takeover of the world.

My unbelieveably STUPID neighbors will probably ACTUALLY be celebrating his cold-blooded gangster mob-style murder without so much as a clue to WHO he was or WHAT he had done for HIS people that our OWN President has not done for HIS people.

I see constant references to us as a ‘DEMOCRACY’ - which we are ABSOLUTELY POSITIVELY NOT. The dangers of ‘mob rule’ or ‘democracy’ were not lost on our Founding Fathers.

You may have noticed that virtually ONLY ignorant brain-dead Blacks, inbred Hillbilly imbeciles, and crafty cunning Jews ALWAYS use the term DEMOCRACY - instead of ‘Republic.’ ALWAYS!

The VERY putrid NAME of that [Democrat] Party of criminals, low-life Blacks, Jews and other assorted immoral Godless detritus of humanity - should be a HUGE RED FLAG to ANY educated national or immigrant.

I still have a copy of the official educational Government brochure that all new inductees to the military AS WELL as new prospective citizens, were given.

It was a WARNING that putrid scum like our imposter President, Criminal-in-Chief, Jew-puppet Obama would be the ruination of everything they fought for and held scared.

Democracy:

A government of the masses.

Authority derived through mass meeting or any other form of “direct’ expression.

Results in mobocracy.

Attitude toward property is communistic — negating property rights.

Attitude toward law is that the will of the majority shall regulate. whether it be based upon deliberation or governed by passion, prejudice, and impulse, without restraint or regard to consequences.

Results in demagogism, license, agitation, discontent, anarchy.

CITIZENSHIP

Republic:

Authority is derives through the election by the people of public officials best fitted to represent them.

Attitude toward property is respect for laws and individual rights, and a sensible economic procedure.

Attitude toward law is the administration of justice in accord with fixed principles and established evidence, with a strict regard to consequences.

A greater number of citizens and extent of terror may be brought within its compass.

Avoids the dangerous extreme of either tyranny or mobocracy.

Results in statesmanship, liberty, reason, justice, contentment, and progress.

Is the ” standard form ” of government throughout the world.

A republic is a form of government under a constitution which provides for the election of (1) an executive and (2) a legislative body, who working together in a representative capacity, have all the power of appointment, all power of legislation, all power to raise revenue and appropriate expenditures, and are required to create (3) a judiciary to pass upon the justice and legality of their governmental acts and to recognize (4) certain inherent individual rights.

Take away any one or more of those four elements and you are drifting into autocracy. Add one
or more to those four elements and you are drifting into democracy — Atwood.

121. Superior to all others — Autocracy declares the divine right of kings; its authority can not be questioned; its powers are arbitrarily or unjustly administered.

Democracy is the ” direct ” rule of the people and has been repeatedly tried without success.

Our Constitutional fathers, familiar with the strength and weakness of both autocracy and democracy, with fixed principles definitely in mind, defined a representative republican form of government. They ” made a very marked distinction between a republic and a democracy * and said repeatedly and emphatically that they had founded a republic.”

NOT That there really isn’t any more ‘real’ REPUBLICAN PARTY - but if you think on it - ANY American who has of his free will become a member of that rancid mob of trash - has committed high treason against the United States of America - AND additionally - has mocked God by taking ANY oath of ANY office that swore to uphold and defend the Constitution of these United States.

Think about it!

When I was a young man - there would have been MILLIONS of SUPER ANGRY letters of condemnation to a ‘President’ who would authorize serial murders in the name of OUR COUNTRY - solely for the benefit of, and under orders from, an ENEMY FOREIGH POWER - and to invoke God in the process.

Obama and his Jew advisors have commited HIGH TREASON in its purest definition!

Like mega-war criminal George Bush & his ilk - they deserve the death penalty!

The stinking Jews will stop at NOTHING - no matter how criminal - how treasonous - how Godless - how wicked - until they drag our nation into a last and final global nuclear conflict - where everybody loses but the Jews. Ths is EXACTLY what Jew bankers have done for hundreds of years before any Jew had even uttered the word Zionism!

Do we finally get it? Its the JEWS THE JEWS THE JEWS along with all the scum they have bought - body AND SOUL!

What are you waiting for? DO IT! You won’t get murdered or thrown in prison or see your own children ‘turn you in’ for expressing your righteous outrage in writing or verbally of the ‘Obamanation’s loathsome criminal gangster conduct ——– YET!

You had better start getting FUMING angry folks - I mean OUTRAGING MAD! Because pretty soon - the ONLY emotion you will be able to express is FEAR! Been there - seen that - and BELIEVE me - you don’t want to!

It’s a sad day for the world. We have lost a great man.

His death follows the Jewish pattern: to corrupt and co-opt someone else to do the dirty work.

The Jews coerced Pilate into crucifying Jesus and the Jews at PNAC pressured Americans, British and French to do the same for Khadaffi.

Your assertive post hit the nail on the head and made me think of the similar words of Dr.

William J. Pierce who uncannily predicted just what we are all witnessing now in this video linked.

It's well worth the 17 minutes watching it, and a good introduction to those who are just starting to see the light of how things really are:

I would just remind the readers of the many atrocities that the NATO and their 'mercenary' army have committed in Libya.

Truly, they have been reminiscent of the Bolsheviks. (Their handlers I might add)

Libya has been subject to a "scorched earth policy". Any Libyan military captured suffered the same inhumanity as Qaddafi.

The looting and pillaging are comparable to the Russians in Germany. Please, Google 'NATO Atrocities in Libya" and "Rebel atrocities in Libya".

Search it also on Google video and you tube.

To know that the U.S. has sponsored these mad dog mercenaries might give you a good read out on the 'beast' that America has become.

Matt Adams

October 21, 2011 @ 4:30 pm

Well BN there you have it.

Any person capable of critical thinking who saw the videos of what happened to Gaddafi knows one thing: execution!

I'm amazed at the attitude of the general population. "He got what he deserved." Yes, the man who brought Libya from poverty to one of the few countries with a sovereign investment fund was a dictator.

A man who believed in his country; a man who stood up for his people and their prosperity both physical and spiritual; a man who supported the African continent when no one else would has got be be a 'terrorist.'

Yes BN, save all those videos on a flash drive because believe me they will disappear from the media as they spin their story. Watch as the Oil and Water, now controlled by the Western

puppets, is distributed to the Zionist minions who obey their masters.

I watched the execution of Hussein and heard about the alleged fifth death of Osama but this… this is different I know in my bones that this was a hit and the people of Libya will regret this day and this event.

Get ready people. The Zionists are out in the open and taking no prisoners!!!

When years ago Libya became a target of Islamist's extremists, Gaddafi had asked the CIA for help.

He'd worked together with CIA by fighting Al-Qaida and he wanted to live in peace with the Western world. He did everything they'd ask him to do just for peace. The Western countries then betrayed him by dealing again with Al-Qaida just to loot Libya.

Al-Qaida is not the enemy of the USA, as they tried to make the public believe, but it is their ally, their weapon and puppet.

Benghasi, one of the eastern Libyan cities where uprising against Gaddafi had began, was a "hot bed" of Al-Qaida and human trafficking.

The reasons for this war as proclaimed by the West was nothing but a big lie. Gaddafi did not kill "innocent civilians" or "his own people" but he did what any legal government would do when armed forces would attack. He defended.

The NATO "no-fly-zone implementation" to protect civilians was in fact the killing of thousands of civilians, mass murder and war of aggression, but nobody seems to care if the target can be called a "dictator."

This war is illegal after UN charta no. 41 and 42 and also after their own NATO convention. Gaddafi's son regretted that Libya gave up developing long-range missiles and condemned the West for turning back on Libya.

"Our example means one should never trust the West and should always be on alert – for them it is fine to change their mind overnight and start bombing Libya," Saif al-Islam told RT.

"One of our biggest mistakes was that we delayed buying new weapons, especially from Russia, and delayed building a strong army. We thought Europeans were our friends; our mistake was to be tolerant with our enemies," he concluded.

Every country that wants to be free or stay free has to learn the lesson well: they should build atomic bombs as fast as they can and in masses. This seems to be the only way for a an independent nation not to come under control of the whore of Babylon.

What comes next? Syria, Iran, Pakistan, Somalia? 10 countries within 7 years was the goal of the former Bush administration.

According to the Bible prophecies, Damascus will be totally destroyed and it is well known that the freemasons who rule over the United States and Israel use the Holy Bible prophecies as template for their wars to create the arising of Satan-Anti-Christ. He is the man of whom they believe he is God.

Hello, Brother Nathanael.

The pictures I've seen so far of Gaddafi have been heavily altered & Photoshopped. Whatever the Truth about Gaddafi - alive or murdered - he did NOT die in the manner depicted by the Mass Media videos.

Please check out my new web site at www.crashareyouready.com There is also extensive info. on FAKE Mass Media news "reports" about Libya "Made in Qatar" & "Made in India."

In addition, there is extensive info. on Libya's Direct Democracy & Public Central Bank, which made Libya DEBT-FREE, & free from IMF DEBT-SLAVERY.

GADDAFI DIED LIKE A HERO

He fought until the end, he did not desert his country.

He stayed in the last stronghold of Sirt and apparently led his troops from there until the end.

He fell as a SOLDIER and a PATRIOT.

Do you think that Bush or Obongo would do the same? THEY ARE COWARDS AND TRAITORS.

Is there HONOUR in what we have seen? In the BOMBING from 20,000 feet of a third-world army? In the KILLING OF INNOCENT CIVILIANS? In the LYNCHING of Gaddafi? In all the HYPOCRISY?

They say: We bombed to protect the civilians from Gaddafi´s troops.

We can ANSWER these PHARISEES with GOD´s WORDS from the mouth of prophet Isaiah:

"Woe to those who call evil good, and good evil; Who put darkness for light, and light for darkness; Who put bitter for sweet, and sweet for bitter!" (Is.5:20)

"Because they have rejected the law of the LORD of hosts, And despised the word of the Holy One of Israel. Therefore the anger of the LORD is aroused against His people; He has stretched out His hand against them, And stricken them, And the hills trembled.

"Their carcasses were as refuse in the midst of the streets." (Is. 5:25)

THEIR PLACE WILL BE THE LAKE OF FIRE

Over 30 years ago Qaddafi hired American Jewish lawyers to work for him. They were responsible for Libyan PR, and acted as advisors to banking and other commercial decisions.

Qaddafi was targeted at various times. He survived many attempts at assassination, sometimes by B-1 bomber, sometimes by bullet. They finally had to destroy his country to kill him.

The U.S. is delusional to think this is not creating a "backdraft" situation.

For lack of a better word, as a nation we are creating a lot of bad karma and soon our nation is going to suffer some sort of "blowback" from some entity. As in 9/11, people who are just living their day to day lives will be the victims, and many people of the world will rejoice!

The only thing more tragic than the smear campaign which inevitably led to the death of Qaddafi is the average American's blissful ignorance to the matter coupled with their calm regurgitation of whatever programming they watched or read in the media in regards to the situation.

Adults are too conditioned to accept what the boob-tube or newspaper says, and the vacant look in this current generation of children's eye generates the greatest despair. Makes me think of Revelation 13:4... And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?

Such sad times we live in, it is hard to feel hope when everywhere I look I see the noose ever-tightening around our necks. All we can do is walk in the Light of the Truth and and work in our own lives the patience of the saints.

Thank God for Brother Nathanael and his website, I would feel so alone in my journey without him.

The lesson is complete.

The Zionist Jews have finally taught America how to hate. It took a while but now we have developed a taste for blood. The fresher the better.

Especially Muslim blood as now we see they are less than human. Undeserving even of Jesus's admonition "As you do unto the least of these my brethren so do ye also unto to me." They are a despicable race without the Christian morals that we have.

The morals that guide our society. The morals that make us a greater nation than all others. Our 'Judeo-Christian' heritage. A free nation of Christian values.

That is why it is so easy for us to bomb Muslims. God wants us to kill the enemy of the Jews. In this way we are are blessed - if we kill the enemy of the Jews. In this way our nation is blessed by God. So that is why we kill.

We are now ritual participants in the Satanic blood lust of the Jews. We have developed a taste for fresh Muslim blood. We are not cleansed by the blood of Christ - we are cleansed by

killing the enemy of the Jews, the Muslims.

This is what the Jews did to America. This is what the Zionist Jews turned Christianity into. A religion of hate. They turned the Gospel of love and forgiveness into a Satanic ritual celebrating the murder of Gaddafi. You know - because he was a 'brutal dictator.'

The faces of the leaders of 'world democracies' are so happy, as if they remembered how they hanged stray cats in basements in their childhoods," Russian envoy to NATO and the leader of the Congress of Russian Communities, Dmitry Rogozin, wrote in his twitter status on Friday.

On Thursday evening Rogozin told Russian radio Echo of Moscow that NATO was directly involved in the operation to kill the former Libyan leader. "Apparently there were orders that oriented the military servicemen who are in Libya and that directed them to ensure the physical elimination of Gaddafi," Rogozin said.

The holocaust prophecy hasn't been fulfilled yet.

The burnt offering to the Lord for the terrible crimes of the Jews hasn't happened yet. The nuclear attack on the devil's Israel in which over 6 million Jews disappear in the white hot ovens of nuclear strikes hasn't happened yet.

In the meantime, it's very possible that the U.S. will also get heavily hit by nuclear strikes in order to disable the ruthless dictatorship of the zionist Jews in the U.S.

I see Russia and China with playing a major role in this when they decide to attack the Jew's false Messiah and his empire.

Then Jesus and his angels will neutralize Russia and China in order to save the remnant of Jews and Gentiles who repent.

I'm wondering if Ariel Sharon is miraculously revived to become the false Messiah of the Jews? "The beast was wounded in the head and the world watched and wondered." He's in a coma right?

I don't think that most people have any idea how terrible the situation has been in Libya.

Bombings and artillery shelling all night and day, and then the 'demonic hordes' venting their diabolical lusts as they move like locusts through the country.

All of these are NATO/U.S. Assets; commonly known by their CIA acronym "The Base," that is to say "El Qaida."

They were spawned in the Afghanistan/Russian conflict, used in CIA operations in Kosovo and the former U.S.S.R., and on 9/11.

The head agitator for the CIA, in orchestrating the Egyptian Revolution, has now been

brought on board, in the U.S., to be chief ‘adviser’ to the Soros sponsored “Occupy Wall St.” protests.

The day may come, when these demonic hordes actually go ‘on patrol’ for their Zionist/CIA handlers in the U.S., complete with pickup trucks, SUV’s, and all-terrain buggies; and, one in a hundred wearing a “Department of Homeland Security” baseball cap, helping the ZOG fight so called ‘HOMEGROWN TERRORISM’ !

The Jewish-run media never showed this to the Western sheep.

It’s hard to say whether it is in fact 1.7 million people, but his supporters are as far as the eye can see, and the Gaddafi supporters created a new world record of 4.5 Kilometer long flag, which shows how many Gaddafi supporters there really are.

October 21, 2011 @ 10:44 pm

I see Russia and China with playing a major role in this when they decide to attack the Jew’s false Messiah and his empire.

Yeah the thing is all the nations which were once sided with Russia, are now occupied by Jews in Eastern Europe.

The last nation, which resisted the EU and the West, was Serbia in ‘99 but it paid a heavy price (it got bombed back to Stone Age by U.S. and all of the Western allies) for disobeying the Jewies and by integrating FALSE propaganda as usual.

They even dropped bombs on Orthodox Easter (Julian Calendar) after first promising they would cease fire considering its implication or knowing the importance of Easter. However after thinking things through they decided to drop bombs anyway.

It’s no wonder they sided with Albanians, the Khazars had the country from the Black and Caspian Sea on the north to Iran to the south where there was the country called Albany. The Albanians were brought from there. Today’s Albanians have no correlation with Balkan Illyrians.

America and the West as is the case, are doing all the work for the Jews without even questioning whats being done, that’s the sad thing. The sinful mind is hostile to God. It does not submit to God’s law, nor can it do so (Romans 8:7).

Thanks to American sophisticated military and NATO, Jews don’t have to attack anyone really; they can rely on America and the West to do all the dirty work. While Israel plays the victim role again asserting that its simply doing the bidding of the U.S. and the West.

Hence why certain Eastern European, ME, far East (China etc.) - certain S. American nations hate both Israel the parasite and its hosts (America and the West).

All those who opposed the JWO had to pay a steep price. It’s every dog has its day, you can’t live forever, “will all stand before God’s judgment” (Romans 14:10). For we must all appear before the judgment seat of Christ, that each one may receive what is due him for the things done while in the body, whether good or bad (Corinthians 5:10).

Also a lot of the history as you know it, has been distorted, all this goes back to making certain nations predominantly more important than others. It starts with Jews, and then there is a pecking order ranging from the ones who obey to those who disregard the protocols. Those who obey tend to be favored, whereas those who don’t get the boot.

In regards to the Polish situation being discussed in couple previous threads; All the Slavs were converted by St. Cyril and St. Methodius into Orthodox Church (ranging from Russians, Polish, Ukrainian, Slovenian, Croatian, Serbian).

There was only one Christendom, and it has survived down to our own day in the form of the Orthodox Church. St. Cyril and Methodius arrived to Poland before the Western Schism of 1054. Clearly, Orthodoxy is not alien to Poland. The first Russian princes to be baptized into Eastern Orthodoxy were around 867 A.D.

During ‘Brest Unia’ (Union of Brest) of 1596, which was cleverly engineered to align the people with the interests of the Roman Catholic Austro-Hungarian Empire, those who refused to accept the Unia were made to suffer economically and were otherwise persecuted.

Dear Bro Nat,

You are right on the ball with Horst Mahler, Ellie Wiesel and now Gaddafi! Perhaps I should also say a word to Joe Cortina, who displays the distinct fighting spirit necessary to overcome this Jewish menace to mankind.

I have read your lengthy article on this Australian fellow. And talking about Blacks: I think its necessary to give consideration to this great Black Lady who lost her teaching job because she said the Jews ought to be run out of the US!

Regarding Gaddafi two things come to my mind:

A video showing how Gaddafi is traveling unannounced around the white buildings of Tripoli in a small convoy of cars, he himself standing in an open car, and how the population, often taken by surprise, is waving at him, greeting him, without exception.

The second thing was a video from the green place (transmitted by the BBC to India), where Gaddafi managed to get together 1.8 million people, his speech being translated into English. 1.8 million people is a crowd that would, even by AH standards, be absolutely phenomenal.

Who of those wankers that lead the Western World at present could pull such crowds together?

Against such background I am listening to the TV and radio news and I hear "Gaddafi is dead,

his war against his own Libyan population has come to an end.”

I am scratching my head and ask myself if the entire world has turned into a satirical TV program?

One last comment to European culture, the rules of war and how to deal with the defeated. There is a painting of Bismarck and Napoleon sitting on a beautiful couch in the middle of a forest near Sedan.

In his memoirs Bismarck reports: I was handling the conversation with him with great care to avoid injuring his pride with regard to the lost battle and the lost war.

Fred, you said it!

What the US is doing to the nations of the world is just accumulating a Mount Everest of very bad karma for itself. It has been doing so for over 3 centuries since they began killing the native inhabitants of the territory that is now called the United States of America.

Very soon than later, she and her whore mother Israhell will be destroyed.

Then, all the nations of the earth will be astounded and ask themselves: How could this have happened?

They will have their epiphany and immediately understand the work of the universal God, creator and destroyer.

However, all is not without hope, so if the people of that country begin to rise up against the beast and remove its head and soul, the universal God will look favorably upon this act and show his love and mercy.

Look into Hopi prophecy and there you will find the answer.

Wotan

October 22, 2011 @ 12:25 am

Cont. from 12:16

One has to compare Bismarck’s culture to the end of WWII:

Four German Generals, partly of ancient Prussian aristocratic heritage, who surrendered to Jewish-led American troops, were forced to give up their pistols (at that rank international law allows them to keep their personal pistols) and then they were told to take their clothes off.

When all four were standing naked in the tent four big Negroes were brought in to stick their rubber-gloved fingers up the arse-holes of each of the German Generals, with the explanation given that this was a search for concealed weapons!

One of the Generals snapped his weapon, still in the vicinity, and shot himself on the spot! The others survived to tell this tale of Jewish perversion!

So when I saw how the bleeding and heavily injured Gaddafi (he touched a wound with his hand and was himself shocked at the amount of blood that was pouring out of his head) was pushed around by those criminal elements, who were flown into Libya by Israel, USA, Britain, France and Italy I realized: these animals are not responsible for what they are doing, just as little as the four Negroes were responsible for what they did to the naked Prussian Generals in a tent.

Responsible are those who brought the Negroes to the tent and responsible are those who brought the Gaddafi murderers to the scene where they could carry out the crime!

Who will stop this madness? Who will stop these mad people?

“Obama, The Son of Africa, Claims a Continent’s Crown Jewels”

On 14 October, President Barack Obama announced he was sending United States special forces troops to Uganda to join the civil war there. In the next few months, US combat troops will be sent to South Sudan, Congo and Central African Republic.

They will only “engage” for “self-defense,” says Obama, satirically. With Libya secured, an American invasion of the African continent is under way.

In Africa, says Obama, the “humanitarian mission” is to assist the government of Uganda defeat the Lord’s Resistance Army (LRA), which “has murdered, raped and kidnapped tens of thousands of men, women and children in central Africa.”

This is an accurate description of the LRA, evoking multiple atrocities administered by the United States, such as the bloodbath in the 1960s following the CIA-arranged murder of Patrice Lumumba, the Congolese independence leader and first legally elected prime minister, and the CIA coup that installed Mobutu Sese Seko, regarded as Africa’s most venal tyrant.

Uganda’s “president-for-life” Yoweri Museveni already receives the larger part of $45 million in US military “aid” – including Obama’s favourite drones.

This is his bribe to fight a proxy war against America’s latest phantom Islamic enemy, the rag-tag al Shabaab group based in Somalia.

However, the main reason the US is invading Africa is no different from that which ignited the Vietnam war. It is China.

Africa is China’s success story.

Where the Americans bring drones and destabilisation, the Chinese bring roads, bridges and dams.

What the Chinese want is resources, especially fossil fuels.

With Africa’s greatest oil reserves, Libya under Muammar Gaddafi was one of China’s most important sources of fuel.

When the civil war broke out and NATO backed the “rebels” with a fabricated story about Gaddafi planning “genocide” in Benghazi, China evacuated its 30,000 workers in Libya.

The subsequent UN security council resolution that allowed the West’s “humanitarian

intervention” was explained succinctly in a proposal to the French government by the “rebel” National Transitional Council, disclosed last month in the newspaper Liberation, in which France was offered 35 per cent of Libya’s gross national oil production “in exchange” (the term used) for “total and permanent” French support for the NTC.

Running up the Stars and Stripes in “liberated” Tripoli last month, US ambassador Gene Cretz blurted out: “We know that oil is the jewel in the crown of Libyan natural resources!”

For more than a decade the US has tried to establish a command on the continent of Africa, AFRICOM, but has been rebuffed by governments, fearful of the regional tensions this would cause.

Libya, and now Uganda, South Sudan and Congo, provide the main chance.

American plans for Africa are part of a global design in which 60,000 special forces, including death squads, already operate in 75 countries, soon to be 120.

As Dick Cheney pointed out in his 1990s “defense strategy” plan, America simply wishes to rule the world.

Gaddafi had 2700 petrol stations in Europe (Tamoil/HEM) I wonder who will get them now.

Also billions in French banks. That was also a reason why France pressed for war (Sarkozy is like other French presidents before him a Jew/Jewish descent by the way).

Gaddafi tried to transfer billions from crippled French banks to Asian banks. They wouldn’t

have survived this and probably the whole Euro would have collapsed (It will collapse anyway in the next few weeks).

Some months ago, a German ship was seized which tried to deliver fresh dinar notes from UK to Libya. The currency was printed in England. With the Gold Dinar Gaddafi would have been able to control the money supply, at least partially.

The freemason G. was surely no saint. The Libyan people had a better standard of living than other Africans but, compared with Europe, they were still poor.

Gaddafi's clan had billions of money, Libya is a very rich country full of oil. Did G. share the wealth with his people ?

No, he gave only handouts and kept the wealth for himself. He irked his masters and now they have killed him.

That it will not get better for the Libyans is out of the question. Of course not.

Sorry but I have no faith in the people of the West. While the Arabs fight the Zionist regime that controls our nation we are not fighting them here.

Sure peaceful protests is what most Americans think is going to work, but please tell me while the Arabs fight the Terrorists of the West what the hell are we doing here to help them?

Are we to assume that our peaceful protests are actually going to work?!! No they won't work because the fact is the Zionists-controlled regime here has the arms, and the police, and the army to fight us.

We cannot win if we do not take them out for real!! How are we to take care of our own when we refuse to do it right?

I mean really a revolution like ours is just a joke and everyone in the Arab world knows it. They laugh at us while they fight with their lives and give their blood we are just walking and talking and no real action.

They are not afraid of us, they have been manipulating us for a century already!!

When do we grow a brain and do what is needed? I know God says to be peaceful but what good is it when they are not?

They have no soul or heart; they would rather see us dead than have to listen to us chant.

Chanting is just that chanting; we are doing nothing…it's time to go out and destroy them once and for all. Enough of this crap.

Every nation has spilled blood for it except the US. We only spill other peoples' blood. I'm ashamed of what I read and how people think they need to get hard core or at least until we are rid of the scum we call our governments.

Okay now that I ranted at the disgust I have for us in the West what are we going to do about it?

300 million people and we still have gotten nowhere with this regime. This speaks volumes!!

Anyway, Libyans deserve what will happen to them very soon - inflation, corruption, terrorism, poverty, huge external debt to IMF-WB mafia, and famine, and many will leave for Europe.

But after some years the monument to Gaddafi will be erected in Libya! They will be crying over their own stupidity.

All true champions of human rights from antiquity to the present have been assassinated by the oligarchs.

It is the litmus test for human sincerity. Even Ron Paul is a safety valve for the oligarchs, i.e., an ace up the sleeve just in case humanity discerns the truth that their politicians are nothing more than pro-wrestlers pretending to hate each other.

The invisible oligarchs target the middle class in order to take that wealth and put it into their pockets leaving the vast majority of people on their plantation. They do not call it slavery, they call it socialism and communism.

Live clean and healthy and never borrow. Be the taproot for the destruction of the beast.

Bro. Nathanael,

I am beginning to think that YOU are the ONLY sane person in America.

I watched on a foreign news channel that I somehow get by not having cable, that the Rebels financed by NATO and the US were “Islamic Terrorists.” Aren’t Islamic Terrorists the SAME people that Homeland Security says WE are fighting?

It is all such a transparent joke and Americans don’t get it. They better take a lesson from

the Russian Revolution before Communism closes its Iron Door.

Keep going, sir. You are a strong and correct voice in the desert of Humanity. I hope everyone reading your site sends you one dollar TODAY.

Stop talking about the death of Gaddafi! Gaddafi is not dead! Gaddafi is alive and well!

Start talking about what is happening around Libya for the Libyan people need you to report what is happening in Libya. Do not let this propaganda news from telling the truth about Libya.

People need to know that NATO is committing genocide. Will you let this Propaganda news of Gaddafi death stop you from helping the Libyan people get justice?

Even if Gaddafi was dead, which he is not, does not change the fact that the Libyan people are getting killed and no one is reporting the news of what is really happening.

So wake up, people, lets get back to work and start reporting the real news in Libya!!!

“Dictator’s Death Continues to Be Shrouded in Mystery Amid Conflicting Stories”

Spirited away to a secret location yesterday, Moammar Gadhafi’s body has emerged in an unlikely place, on display in the freezer at a Misrata shopping center, the latest move in a farcical 48 hour period that started with Gadhafi being captured and then turning up dead shortly thereafter.

His burial “postponed” for the purposes of investigation, Gadhafi is instead stowed in a produce cooler, with residents lining up with cameras to get their photos taken with their slain dictator.

But how was he killed? One of the Misrata rebels has posted a video claiming he did it, showing off what he claims is Gadhafi’s wedding ring and bloody jacket. He says he shot Gadhafi twice, including in the head, and that he died a half hour later.

He also threw the capture story into even further doubt, rejecting both the spider hole and convoy stories and claiming he was just walking around Sirte with some children when he

found and killed him.

Gadhafi's killing is also now being questioned from a legal perspective, with Russian Foreign Minister Sergey Lavrov saying Gadhafi was a prisoner of war after his capture and his killing violated the Geneva Conventions.

Brother Nathanael,

THANK YOU SIR for truly teaching people like myself who have AWAKENED!

Your site is an amazing history lesson.

I always wondered why there is so much chaos and misery around the globe and in my own country (Asylum States of Amerika) and in my own medical profession. You have provided the answers I have so desperately been seeking.

Gaddafi (Boogey man #3) was simply murdered as part of the power grab/global hegemony/imperial militarism via PNAC. Now where is the GOLD???? Amazing how the Rebels were able to set up a Central Bank and Oil Company so quickly, LOL?

And correct me, please, but where are the Chinese in all of this? Didn't they have more than 30,000 Chinese workers in Libya with 50 different joint projects in the works?

Gaddafi is not dead, IMO.

One of his body doubles (Saddam Hussein had more than 40 body doubles - and Saddam is no more dead than any one of us commenting on this story) would have "taken the bullet." That's assuming the images being shown are to be believed.

Another scam, another story to keep the "moth" people enthralled by the flame of the burning candle. Gaddaffi was (and still is) in business with the New World Order morons (as was and still is, Saddam Hussein). Do further research good people (that includes Brother Nathanael).

Soon (tomorrow, next year, 10-years' time) you will know how they created the illusion of Gaddafi's death and what the relationship of Gaddafi to the miserable puppet masters

was/is. All the best.

'High-class terrorists running US, UK and France'

"As some European leaders demonstrate a celebratory mood over the violent death of Colonel Gaddafi, they are no less terrorists themselves, claims international consultant and author Adrian Salbuchi.

"Salbuchi said Gaddafi's death was undoubtedly a message for the whole world, as it is not just about Libya."

"We are seeing how Hillary Clinton, US Secretary of State expressed it very clearly: 'We came, we saw, he died,' and then started laughing. This is a message to the world of how this new world order model actually works," he stated.

"When they decide to change the regime, they do so with the utmost violence, and it is a whole model. First they target a country by calling it a rogue state; then they support local terrorists and call them freedom fighters; then they bring death and destruction upon civilians and they call it UN sanctions.

"Then they spread lies and call it the International Community's opinion expressed by the Western media. Then they invade and control the country and call it liberation and finally they steal appetizing oil and call it foreign investment and reconstruction," Salbuchi explained."

Where the Americans bring drones and destabilisation, the Chinese bring roads, bridges and dams.

What the Chinese want is resources, especially fossil fuels.

With Africa's greatest oil reserves, Libya under Muammar Gaddafi was one of China's most important sources of fuel.

Although I have no connection with the Khaddafi family or Libya, this terror campaign and all that goes along with it is unjust, without due process of law, and a great disgrace to the Western Powers that orchestrated the whole sordid affair.

I think there is reason to investigate the insurgents and their allies for war crimes.

One that comes to mind is the security and safety of prisoners of war and civilian populations. Specifically, the security and safety of Col. Khaddafi himself after his capture.

I am sure other people in Libya have reason and justification to press for an investigation into the matter and to press charges against war criminals and their allies.

To Anglophobe (why are you fearful of Anglos ?) and the rest of the wishful thinking entities proclaiming that Quadafi is still alive.

(And by way of innuendo, insinuating that +BN is either mistaken, or deceiving.)

First, none of you have brought forth any evidence to substantiate your statements. Yet, you write as if your ‘opinion’ were to be taken as fact.

Now, I have done my homework on this, and I will tell you exactly how you can too.

First, copy and save the Pictures here; and, or, any you may find from any sources of Colonel Quadafi in death. Put them in a folder that you can easily access.

Second, search “Google Images” for Colonel Quadafi in life. You will find thousands to choose from. Copy and save as many, and as varied angles, as will be necessary for an accurate comparison.

Third, open the images of both Quadafi in death, and Quadafi in life on your monitor.

Fourth, compare them. You will even be able to take accurate measurements.

Then, after having done so, come back again and post your findings and site the examples you compared and where you found the discrepancies that would indicate that the corpse shown here is not Colonel Quadafi.

The first thing I did when this story broke, was to follow the exact same procedure I have outlined here.

My conclusion is: that the corpse shown here is in fact that of Colonel Quadafi; and that the report given on this page by +BN is 100% true and accurate.

This recent account given of the killing of Colonel Quadafi has a true ‘ring’ to it.

It also would corroborate those images that were seen, on the cell phone video, of Colonel Quadafi wounded, then captured, and finally succumbing to his injuries.

The story also indicates the factions that exist between the 'Rebels,' and actually, how those factions contributed to Colonel Quadafi's demise.

Neil - Thank you for the enlightening video clip.

Nothing I did not already know of course - but as you said - it is an excellent teaching learning tool. I listened to every word and saw every image. I found it extremely well done as an update on an old theme. Even the sinister 'music' was appropriate.

I STRONGLY suggest that EVERY RJN / RZN follower download it and share it with the entire family and friends.

It was truthful as truth can be - on EVERY point and each and every detail - yet I cannot think of even ONE American citizen - as ignorant as we are - who would react in a logical manner and be grateful for the enlightenment - NOT ONE!

Sadly AmeriKan people are too stupid, selfish, and shallow to even care. We have become a race who actually worship crudeness, grossness, violence, and childish 'spectacularism'.

We actually LOVE the Jew for what he has done to us and our children and millions of other hapless victims world wide - otherwise we would have run every Jew bastard our of this nation long ago as our Founding Fathers so CLEARLY & STRONGLY counseled.

Just one viewing of the disgraceful conduct of EVERY member of our treasonous Godless Congress on this past May 24 - a TRUE day of infamy that has 'benchmarked' the collective deaths of the freedoms of the American people: 29 STANDING OVATIONS for a war criminal mass murderer terrorist and mortal enemy of all decent mankind!

Sadly - folks like Snowy Smith still doesn't 'get it.' he would have been far more truthful and accurate in his assessment of our character, had he observed that the 98% of our people WERE AS CRIMINALLY GUILTY of the two million murders overseas and the rest of our irreversible self imposed moral and economic demise.

Whatever he has been smoking to actually cause him believe we are a decent, moral, caring, responsible, informed, Godly people - in the face of such LEGION evidence of what spineless hypocrite imbeciles we ARE in REALITY - must be terrific stuff!

DELUSIONAL, wishful, fuzzy warm thinking does NOT mix with ugly truth and reality!

If I could garner national mass media venue for just 5 minutes - just once - I would plead with every American son who has not yet sold his soul to the Devil - to tell the murderous US military to take their insane, racist, murderous, sadistic, Godless wars and SHOVE IT UP THEIR ASS!

Additionally - as a former diplomat/Vice Consul - I would warn the leaders of ANY and every free nation of good people to reject ANY cooperation with our wicked evil Godless military - if they EVER want to live free, and not end up being humiliated, terrorized, economically raped, pillaged, destroyed, and bombed into total submission.

The Libyans have not yet even began to experience the living hell they have allowed by allowing our dirty bloody hands in their affairs.

We have become terrorist bullies and moral degenerates - far worse than the Soviets ever were. I was fairly well educated regarding Soviet war crimes in Afghanistan during their occupation of the seventies.

The endless horrors of long term death by 'DU' radiation ALONE - that we have committed against their civilian population will be recorded in history as one of the most barbaric & sadistic occupations/invasions of an innocent people in the annals of recorded history!

You 50 million pasty faced Babt-DUH morons want to see some REAL LIFE horror shows this Halloween? Look at what the disfigured monster babies of those poor Afghan "raghead" girls look like - thanks to your love affair with the stinking Jews who mock our Lord 24-7 behind your back - as well as in your face! KILL THE ARABS!

AND MR SMITH! those 98% of the morons in this country DO NOT give a flying rat's ass about ANY horrors and suffering we have caused ANY "sand niggers" - as our brave, baby-murdering psychopaths have been taught to slur!

In TEN FULL YEARS that we have been committing these wicked crimes for the Jews - I have NEVER EVER heard the SLIGHTEST comment of remorse or compassion for those poor miserable suffering victims - not in my ENTIRE neighborhood - not ANYWHERE!

I've got a 'news flash' for you Mr Smith.

That 98% of the couch potato pot belly morons and s**t-for-brains imbeciles who guzzle beer at NFL Stupid Bowl games and tail-gate orgies - ARE EXACTLY THE PEOPLE WHO 'HAD' THE LIBYAN LEADER MURDERED by their criminal stupidity.

THEY ARE GLAD! I know - I have to LIVE WITH THESE idiot scum 24-7 and listen to their unconscionable garbage!

We are NOW-a clueless 'Goyim' TOTALLY without shame, remorse, or wisdom.

Stay tuned for more murders of leaders the Jews don't like, and have their personal whore lapdog - the' former USA - do the deed for them as we watch Dancing With The Stars and

Western Zionists always have an excuse to invade a sovereign nation.

Very often they use the term "brutal dictator." The world knows who are brutal and the true savages. This man had done no harm to the West. West framed him for Lockerbie bombing.

Now the fanatical Islamic laws will be established in Libya. So, the Zionist can always showcase and maintain the cultural clash between the Muslim world and the West. Radical Islamists will be manufactured so the West and Israel can blame them and justify its own crimes against the Palestinians and in other parts of the world.

By showcasing Sharia, the Zionists media wants to hide the oppression by the debt based banking system in the Western world and exploitation of millions of working poor. Now a days, the West would prefer an Islamic puppet or an elected puppet like Iraq and Afghanistan.

Cancer Is Serious Business

Here is a link that shows how Jews operate.

http://vimeo.com/24821365

The drug for cancer has already been invented over 30 years ago. It is amazingly successful. Jews want to keep people sick and purposely poison them and that is why they want to keep real drugs away from people. Instead they provide drugs which do more damage than cure.

I guess, by now, it is no surprise to anyone that ALL drug companies are in Jewish hands. This video shows that such institutions as FDA, NCI (National Cencer Institue), US PTO (US Patent and Trademark Organization), are in fact run by Jews and used as Gatekeepers of their own control over these areas.

If they cannot stop invention, they simply steal it, breaking even the existing laws.

Who, after all, will go after criminals, if they control Police, Institutions, and Judicial system?

Mark

@Pravoslavni,

No, you are not right.

First of all, only part of todays Poland (Małopolska, which is south) was Christianized by St. Cyril and Methodius.

The church of St. Cyril and Methodius had nothing to do with what was later Eastern Ortodoxy. The Church of St. Cyril and Methodius was specifically created for Slavs. It had its own liturgical language, but in everything else it followed Rome.

Todays Eastern Ortodox has nothing to do with the Church of St. Cyril and Methodius. It is a Byzantine custom with Russian language.

With the Union of Brest, things are more complicated. By this decree, for example, the Latin Church was not allowed to build churches in Rus (kind of today's Ukraine) even if there were Catholics living there. All the governmental positions and administration was allowed to be only in hands of Orthodox people.

They didn't suffer due to this decree, so I don't know why you say this.

Brother Nathanael

October 22, 2011 @ 8:28 pm

@Mark -

You are QUITE WRONG!

The Church of Sts Cyril & Methodios is STILL the Eastern Orthodox Church - ALWAYS WAS & ALWAYS WILL BE.

Their establishment of the Church in the Balkans by these two Orthodox saints was COMMISSIONED by St Photios the Great, Patriarch of Constantinople, and though they did receive help from Rome, (which in the 9th Century was still united with Constantinople), was of the See of Constantinople ORIENTED.

The Russian Orthodox Church of which I am a parishioner in Manhattan uses the SAME Church Slavonic that Sts Cyril and Methodios established.

We have the SAME ONE FAITH, ONE BAPTISM, ONE LORD JESUS CHRIST that Sts Cyril and Methodios had, the Holy Fathers had, AND the Apostles had.

END OF DISCUSSION.

“The ‘Rebel’ Assassination of Muammar Gaddafi: a NATO Operation from A to Z

“DEBKAfile’s military sources report mounting indications that a NATO special forces unit – although of which nation is unknown – located and captured Muammar Qaddafi in the Sirte area.

“They apparently shot him in both legs to prevent his escape and informed a Misrata militia of his whereabouts, knowing they would kill him in view of the town’s long reckoning with the former Libyan ruler.

“NATO was guided by two considerations: First not to comprise the presence of ground troops in the battle zone in breach of the alliance’s UN mandate; and second, to give the Libyan rebels a psychological victory – especially after they failed in battle to capture Qaddafi’s home town of Sirte.”

Great article Brother Nathanael!

I was surprised at how quickly your article posted with regards to the announcement of his death. Qaddafi was a hero and a man who was killed savagely and violently by men that should have suffered his fate instead.

The part that makes me the most angry is that our tax dollars went towards this illegal and immoral operation against the Libyan people. Everything is upside down, war is now peace, dark is now light, etc.

All of this is done in the name of “humanitarianism,” a Jewish code word for world wide domination.

For any freedom, peaceful American, the time is now to protest against paying taxes to fund this rubbish, though I know that the Jews at the Federal Reserve will simply print out more money to “pay” for these brutal acts.

This post was recently sent to me. It is a good read and contains much badly needed truth - not only about the fate of Libya - but an endless list of future victims of wicked Jew greed and lust for power.

HOWEVER - the foreign writer falls into the same trap I see expressed here at our site. IF you simply substitute the word JEW for the word ZIONIST - it suddenly becomes a hard hitting article which even Joe SixPak, the couch potato NFL moron, can understand.

99% of those 'Zionists' are GENTILES - NOT JEWS! The Jews USE STUPID, IGNORANT and/or EVIL Gentiles to do their dirty work.

The Jew used these 'useful idiots' or "poleznye idioty" - street mobs in 1914 Russia to do their dirty work as Jews ALWAYS do.

Here in AmeriKa today the useful idiot (Zionists) of choice are the brain dead "Bap-duhs" - 50 MILLION OF THESE SCUM!

The average AmeriKan is a MORON with the brain of an amoeba - BUT he can still identify who the Jews are.

Zion? - Zionists? to Joe SixPak - that is probably one of the 'Transformer' super heroes or villains his idiot children watch.

The term 'Zionist' doesn't mean zip to the average feeder in this country.

When I was in IsraHELL with folks from Langley and DOD - I got to see meet and hear things that NO 'tourist' could.

Of ALL the contacts I made, including some retired top ranking IDF dignitaries, as well as people in the street - I never met ONE man, woman, or child who called themselves "Zionists".

ONCE AGAIN - 99% of ALL 'Zionists' are simply allies of the Jews.

THE PROBLEM - THE ENEMY - THE SONS OF HELL - THE EVIL OF SATAN ON EARTH ARE THE JEWS - THE JEWS - THE JEWS - THE JEWS! GET IT?

Christ and the prophets warned us in Scripture - the Founding Fathers warned us in their memoirs - and now I am warning you from a lifetime of painfiul experience.

PLEASE folks wake and smell the TRUTH - the REALITY.

IF - you cannot find the courage to SPEAK or WRITE the word JEW, go watch a TV game show or a NFL game!

Here is that read. As you read it - simply substitute the PROPER word JEW every time you see

ZIONIST and you will get it. I PROMISE!

Does this make sense to any of you at all? Please let me know.

==========

WAKE UP, AMERICA!!!

The World's Foremost Problem can be expressed in one short 10-word sentence:

AMERICA RULES OVER THE WORLD, BUT…. ZIONISM [JUDAISM, JEWISM & JUDAIZERS] RULES OVER AMERICA!

When you understand this, 90% of what's going on becomes automatically clear. Sure, you might say, "it's not be all that clear-cut." Granted: it's not just "America" and its puppet Obamas and Bushes, but also the UK and its puppet Camerons and Blairs, France, Italy and Spain with their puppet Sarkozys, Berlusconis and Rodriguez Zapateros…, and most of the rest of the world including my own country, Argentina, with its despicable Menems, Alfonsins, Kirchners and Cavallos.

Their embedded elites use and control "NATO" and the "UN" for their own agendas and against all of us.

They just completed the destruction of Libya in order so Exxon, BP, Total and ENI can steal its oil and its gold (also terminating Ghaddafi's Gold Dinar Currency project). The US/UK/France/NATO destroyed Libya by supporting the worst local CIA-trained terrorists and thugs, who murdered Libyan leader Muamar Ghaddafi, his sons, grandchildren and supporters.

All honest Americans, British and Europeans should watch this 12 second CBS News video clip showing US Secretary of State Hillary Clinton's reaction last Thursday 20th October when she learned that Ghaddafi had just been murdered by those NATO-supported terrorists.

In a rapture of joy, she exclaims "We Came, We Saw, He Died!" and then blurts out her coarse laughter.

A TRUE IMAGE OF THE WHORE OF BABYLON!

Just watch and judge for yourself: https://www.youtube.com/watch?v=Fgcd1ghag5Y&feature=player_embedded

So, AMERICA MUST WAKE UP!!! And the rest of us must help make sure AMERICA WAKES UP….

AMERICA: YOU ARE BEING DEVOURED BY ZIONIST [JEW & JUDAIZING] CRIMINALS EMBEDDED IN YOUR BANKING SYSTEM, YOUR MEDIA, YOUR GOVERNMENT, YOUR CORPORATE OVERWORLD, YOUR THINK-TANKS, YOUR ACADEMIA, AT ALL LEVELS OF POWER.

This is no secret. The Zionist [Jew & Judaizer] names are there for all to see: Bernanke, the Goldman Sachs boys, Wolfowitz, Perle, Kissinger, Feith, Blitzer, Murdoch, Rubin, Summers, Wiesel, Rosenthal, AIPAC, American Jewish Congress, Wall Street, Greenberg, CUFI (Christians

United For Israel), Obama, Biden, Madoff, Lieberman, Bush, Cheney, Zuckeman, Clinton.

The List of the Zionist [Jew & Judaizer] Bunch just goes on and on and on. The writing is on the wall for all to see, but Americans continue to live their lives with eyes wide shut!

There's little time left. We all know who's next on the Zionist [Jew & Judaizer] Destruction Agenda: Iran, Syria, Venezuela, Korea, the whole global financial system. We had better stop this madness before it stops life on our planet.

Libyan leader Muamar Ghaddafi's murder and that of his family by these Zionist [Jew & Judaizer] supported terrorists is a blatant example of top level terrorism emanating from London, Paris, New York, Tel-Aviv and Washington. Here's an brief explanation: http://rt.com/news/europe-usa-libya-gaddafi-425/

THE ZIONIST [JEW & JUDAIZER] MODEL FOR NATIONAL DESTRUCTION

Today, all nations have been placed on notice. Today it's Ghaddafi, tomorrow it can be anybody anywhere, or everybody everywhere…

The Zionist [Jew & Judaizer] Model for National Destruction uses Orwellian Newspeak and works something like this:

1. The Global Power Mafia start by targeting a country ripe for "Regime Change" and brand it a "Rogue State."

2. Then, they arm, train, finance local terrorists through CIA, MI6, Mossad, Drug Cartels and call them "Freedom Fighters."

3. Then, they stage mock UN Security Council Resolutions that rain death and destruction upon millions of civilians and they call it "UN sanctions to protect civilians."

4. Then, they spread flagrant lies through their media monopolies and paid journalists, and call it "International Community's concern expressed by the Western Media."

5. Then, they invade and control the target country and call it "Liberation" (poor Libya is in this stage right now).

6. Then, when the target country falls fully under their control, they impose "The kind of democracy we want to see" (as Hillary Clinton said of Egypt on 22-March-2011)

7. Finally, they steal appetizing oil reserves and all resources and call it "Foreign Investment and Reconstruction."

8. Their keynotes are: Force and Hypocrisy, used to destroy whole countries in the name of "freedom," "democracy," "human rights," and "free trade." They use utmost force and violence to achieve their ends.

9. Their Elders described their blueprint for world power many, many decades ago in a hoary manuscript…

“What did you say…? That you don’t want to be liberated and democratized?” “Then take this Hiroshima, Nagasaki, Hanoi, Berlin, Dresden, Bagdad, and Basra…” “Take that Tokyo, Gaza, Kabul, Pakistan, Tripoli, Belgrade, Egypt, El Salvador and Grenada…” “And that, Panama, Argentina, Chile, Cuba, Dominican Republic, Somalia, Africa…”

Always bombing people to smithereens… Of course, always in the name of “freedom,” “democracy,” “human rights,” and “free trade.”

AMERICA: WAKE UP!!!

FOR YOUR OWN GOOD AND THAT OF THE REST OF THE WORLD.

AS FOR THE REST OF US, LET’S MAKE SURE WE HELP AMERICA AND ITS ALLIES WAKE UP!!!

AMERICA IS BEING DEVOURED BY ZIONIST [JEW & JUDAIZER] TERRORISTS AND THEY DON’T REALIZE IT.

I would answer your question like this:

In a country with a population of six million there were one million foreign workers.

There were Europeans, there were Americans, and there were most of all Chinese. Try to remember the evacuation figures of technicians and business people.

Then there were close to a million domestic workers from all parts of the world. The domestic workers in relation to the population show the living standards Lybia had achieved. All these people came voluntarily to Libya when Gaddafi was in power.

Then ask yourself the question: When did all these people start running away?

It was when the Jews and their lackies flew in the Terrorist Mob!

Look up Joe Cortina`s video link above where you can see Hilary Clinton laughing about Gaddafi`s murder. When you look at this video three or four times, you get the feeling that she`s an outgrowth from hell, was expelled from there, since the devil himself couldn`t bear the presence of this evil woman any more!

And where is she doing her business today?

Exactly, you are right, in God`s own Country!

“Does this make sense to any of you at all? Please let me know.”

The declaration from your Argentine friend makes complete sense, and is very accurately said.

I returned recently from a vacation in Argentina, Cordoba Capital to be exact, and a more hospitable and congenial people you will not encounter.

Since the end of the Jew CIA sponsored “Dirty War” there, and the implementation of the ‘New Constitution’ (The first article of which declares the Argentine submission to The See of Rome, and Catholicism as the State ‘endorsed religion’), things have been looking good for Argentina.

They managed to become debt free, and though their exchange rate is 4 to 1, the Peso to U.S. Dollar, their economy is insularly stable.

Commodities and utilities, the cost of living in general, are compatible with the wage exchange. People live comfortably and securely, and seem to busy themselves with legitimate

and enjoyable pursuits.

The Catholic influence (Spawned by the Jesuit Missions under the Spanish Conquistadors) is profound. Yet, there is no coercive type of pressure. Everybody seems to be on the 'same page' so to speak.

I discussed the Jew problem with many Argentinians, and they are well aware of it, profoundly so in comparison to the Americans. One man called Kissinger "The ambassador from the 'Inferno' (hell).

Americans are walking "with eyes wide shut," as your Argentine friend has put it.

If you are fluent in Spanish, visit Argentina, it's great.

How they will cope with the Jew takeover of their government is beyond me at this time. The Bombings in Buenos Aires that Mossad orchestrated, and which it's puppets in government 'covered up' have left an indelible impression on the Argentine population.

But, nothing has so affected Argentina as "The CIA's Dirty War."

They truly have a real 'never again' perspective toward this type of Governance. The anniversary of it's end is a National Remembrance in Argentina.

http://www.gwu.edu/~nsarchiv/NSAEBB/NSAEBB104/index.htm

I said to one astute Argentine on the Anniversary of the end of the "Dirty War," (I was fortunate enough to be in that country at the Anniversary of the Remembrance) 'Senor, your "dirty war" is past, America's has now just begun."

He was shocked at the new American policy of extra-judicial execution.

The only nation that has successfully abandoned the US Dollar is Iran, who since February 2009 abandoned all American currency opting instead to value their oil and gas in Euros.

Iran, however, and unlike oil rich Iraq and Libya, has not been attacked due to the Iranians having acquired from Ukraine between 6-10 nuclear armed X-55 missiles (range of 3,000km [2,000 miles]) in 2005.

Although the former Ukraine President Viktor Yushchenko denies that the missiles contain their nuclear tips, a statement disputed by the FSB who states they were armed and "ready to fire."

Before the US ventures into other Muslim lands, the US would want a submissive or a broken and denuclearized Pakistan. In both the scenarios it would mean Pakistan's death.

In such a scenario, Pakistan maybe compelled to go for non conventional weapons; if such a development takes place, India, Israel and the US installations in the region would not be safe.

Can the US risk such a situation would only depend on the arrogance and sanity level of the US leadership.

“We will do it with or without you, US tells Pakistan”

Presently, the grouping of pro- and anti-Christ Forces is seen to be taking place.

The US and NATO clearly appear to be on the side of the Anti-Christ and siding with the Zionists the real anti-Christ Forces.
Zionists are known to be Satan worshipers in their secret hideouts therefore are working to create a godless world and control the entire resources.

Sensing these developments, Russian Prime Minister Vladimir Putin prior to his departure for China, cautioned his generals to prepare for Armageddon.

The main reason these horrible serial crimes of murder continue unabated and unchallenged except for aq handful of informed patriots - is the mass ignorance of the ‘Merkan’ public. It IS the MAIN paramount reason why we are “PERISHING.”

I have stated this for YEARS. I have attributed this deadly flaw in our people essentially to the average Joe sixpak moron - but apparantly it is more widespread than that.

The imbeciles who are destroying our nation not only by overt acts of treason - buy by CRIMINAL STUPIDITY - are sadly also our ‘finest sons’ - as that is what we freely elect to send to a position of the highest respect - trust - intelligence - devoid of moral turpitude and of course possessing great wisdom. There is hardly any greater honor that to be elected to our Congress.

See for your self what kind of drugged out illiterate ‘nigga’ trash our citizens have selected from their midst to best represent this ‘light among nations’ - the most powerful advanced civilization on earth!

His level of CRIMINAL stupidity requires a new scientific classification.

Knowing the character - wisdom and keen judgement of the ‘bros’ who elected him - certainly makes me PROUD TO BE AN AMERIKAN.

Aside from a miracle - I believe our only hope may be that the Jews who have occupied us and use us for their personal playthings - will eventually tire of our level of stupidity - and become

so bored and exasperated by lack of challenge - that they will simply leave us alone and go infest infect and morally and economicly ruin some other hapless nation of simpletons - who will at least give them a little challenge so as to keep it interesting.

You can't say I didn't warn you about this OVER AND OVER for a long long time. GO BUCS!

As many as well, I believe, cheered the murder of Colonel Quadafi.

‘ Dat num bah be da mo jar ity, in dis dee mo crassy ‘. So sad.

I have often reflected on how few, proportionally, have any clue on anything, across the spectrum.

I would think that during those horrific months of the blood bath across Libya, that all the Libyan men, women, and children, prayed every day; “God, please send us some help. Please, from Russia, from China, from anywhere, God help us please.”

Then the rebels of coarse holler ‘God is Great’ as they rape, burn, kill, and pillage their way across the land.

These seeming contradictions might only be addressed, and explained, in that this ‘Beast, and it’s ‘Whore’ jockey will be permitted to run their coarse, until their final confrotation with the returning Christ Jesus.

The scriptures state it, and as we see it come to pass we can not be surprised; though, shocked we will no doubt be.

‘And ALL will adore the Beast, whose names are NOT written in the Lamb’s book of life’. Those who know are few indeed.

Colonel Quadafi’s ‘last words’ should be herald across all the media of the world!

The RT news reported at the beginning of this year that Gaddafi was to be awarded a medal by the UN for his humanitarian treatment of his subjects.

Every newly married couple was handed over $50,000 to buy a new home, cars were subsidised, as was fuel, bank loans attracted no interest, healthcare and education was free.

He started building a pipeline from the Sahara to the populated areas of Libya, he had plans to build a pipeline south to Horn of Africa nations who were undergoing severe droughts.

The media then started their propaganda stories on how Gaddafi was committing genocide, each report got worse and worse, mercenaries were employed to fight Gaddafis' troops. Gaddafi had said previously that if a camel breaks wind in the desert, someone will be listening.

Then the US media started fabricating beatings etc by Gaddafis' troops, but the Russians who were quietly listening and watching to the satellite feeds were telling the world, the UN that Gaddafi was doing no such thing as reported.

Then NATO/UK/US/FRANCE entered their deadly pact - regime change once more. If this was the reason, why would they unleash hellfire missiles on the innocent population. When the US

ran out of bombs they requested some from Germany - they were flatly refused.

This is another case of the military being used by the uber elite corporazzi to achieve their aims.

Colonel Quadafi's "LAST WILL and TESTAMENT"

Translated from Arabic by the BBC

"This is my will. I, Muammar bin Mohammad bin Abdussalam bi Humayd bin Abu Manyar bin Humayd bin Nayil al Fuhsi Gaddafi, do swear that there is no other God but Allah and that Mohammad is God's Prophet, peace be upon him. I pledge that I will die as Muslim.

Should I be killed, I would like to be buried, according to Muslim rituals, in the clothes I was wearing at the time of my death and my body unwashed, in the cemetery of Sirte, next to my family and relatives.

I would like that my family, especially women and children, be treated well after my death. The Libyan people should protect its identity, achievements, history and the honorable image of its ancestors and heroes. The Libyan people should not relinquish the sacrifices of the free and best people.

I call on my supporters to continue the resistance, and fight any foreign aggressor against Libya, today, tomorrow and always.

Let the free people of the world know that we could have bargained over and sold out our cause in return for a personal secure and stable life. We received many offers to this effect but we chose to be at the vanguard of the confrontation as a badge of duty and honor.

Even if we do not win immediately, we will give a lesson to future generations that choosing to protect the nation is an honor and selling it out is the greatest betrayal that history will remember forever despite the attempts of the others to tell you otherwise."

Bro Nathanael Kapner has accurately documented compelling motivations for the Zionists and their servants in Western governments to remove Gaddafi.

But it also needs to be said that the record of his regime was by no means spotless. In fact he created a nation with a population mix something like Kuwait.

Libya, a nation of a few million was flooded with millions of immigrants from all over the World, making up most of the workforce. The local population was displaced, in work and culturally.

That is the policy of the Zionist New World Order and he carried it out.

Much of the hostility to him from the Libyan population arose from that fact.

While Hank Johnson may not be the brightest bulb on the ceiling, when it comes to drug consumption we should remember that by far the largest consumers, in terms of total mass and total cash, of crack, heroin and every other type of drug with “recreational” potential are brokers and other financial types, e.g. Madoff Jr.

Not far behind are our boys and girls in uniform. Both groups are largely non-Black. Therefore, implicating Black racial inferiority into this picture is largely specious.

Also, let’s not forget that the number one drug consuming country in the world is the USA, with Israel, by some counts, right behind us, giving the term “Usreal” a whole new meaning.

A small part of the documented evidence:

http://www.indiandefencereview.com/geopolitics/Chinese-and-Korean-com...

Extract:

“Resentment over the comfortable life-style of foreigners working in Libyan projects as compared to the poverty of Libyan workers seems to be playing a role in the current turmoil in Libya.

This resentment has led to a number of attacks on South Korean and Chinese companies in Libya.

Even before the unrest began in Egypt, there were reports of attacks on South Korean construction sites.

On January 14 and 15, hundreds of Libyans raided four South Korean-run construction sites, destroying heavy equipment and setting vehicles and other facilities on fire. According to the South Korean Foreign Ministry, on February 21, about 500 Libyans stormed and looted a South Korean construction site west of Tripoli, injuring South Korean and Bangladeshi workers.

…attacks on the Bangladeshis were motivated by economic reasons or by anger over reports of the Libyan Army using Pakistani and Bangladeshi mercenaries for crushing the uprising.

It said about 15 Bangladeshis were hurt along with three South Koreans when the mob invaded the site about 30 kilometers west of Tripoli.

Two of the Bangladeshis were seriously injured with stab wounds. After some time, the Libyans left the site, where 1600 Bangladeshis are reportedly working.

It is not known whether the attacks on the Bangladeshis were motivated by economic reasons or by anger over reports of the Libyan Army using Pakistani and Bangladeshi mercenaries for crushing the uprising.

On February 17/18, about 200 Libyans in the eastern coastal town of Darnah invaded a South Korean-run construction site and set fire to a dormitory for Korean workers.

According to the South Korean Foreign Ministry, the offices of some South Korean companies were looted on February 19. The Ministry said there are currently about 1,400 South Koreans in the country.

The February 22 issue of the “China Daily” has carried the following report of the Xinhua, the official news agency, datelined February 22, Tripoli:

“Several Chinese companies in Libya have been attacked and looted, but no casualties were reported yet, a Chinese worker here said Monday (February 21).

“A construction site run by Huafeng Construction Co., Ltd. from China’s Zhejiang Province was looted by a group of armed gangsters Sunday afternoon in the eastern city of Agedabia, and nearly 1,000 Chinese workers there were forced out of the site and became homeless, said Yuan Canhua, a Chinese living in the suburb of Tripoli, capital city of Libya.”

“But it also needs to be said that the record of his regime was by no means spotless.”

It appears as if you have gone out of your way to conjure up some evidence against the late Colonel Quadafi.

It is truly PATHETIC that all you could manage to imply, is that he brought foreign workers into the country; and that this somehow links him to some ‘Zionist based multicultural agenda”!

HOWEVER and most importantly, NONE of the Zio - NATO - U.S. charges against Colonel Quadafi are true.

Thus your need of conjuring up some supposed myth that he served the Zionists by turning Libya into some multicultural haven.

First, the date you site as the occurrences of the incidents falls well with in the time frame after the instigation of outside agitation.

This leans hard toward the conclusion that outside agitators and not Libyans were the

culprits here.

Many Africans had migrated to Libya, seeking peace, prosperity, and opportunity under the Libyan plan. As would be expected from Quadafi, being a man of his word, even to death (”I will die in Libya”) welcomed them with open arms.

Other foreign workers that you have sited were there on ‘contract.’ They were chosen because they possessed the knowledge and skills necessary to fulfill Colonel Quadafi’s vision for Libya, and the African continent.

30,000 Chinese personnel were among their number. These, as the Korerans, were not immigrants, but rather contractors whose intent would be to return to their respective countries when their construction work had concluded.

I have personal fist hand information, from South Korean sources, that have stated to me that the Korean contractors in Libya were all contracted to the fabrication and production of the huge sections of pipe that made up Colonel Quadafi’s vast underground river system.

This project called ‘The Eighth Wonder of the World” also employed foreign contractors in the digging and installation phases of the project.

To suppose that such an endeavor, to provide free pure water to the population of Libya, would have been sabotaged by Libyans out of petty jealousy is absolutely ludicrous !

You’ll have to do much better than this JA to make the late Colonel look bad, especially in the light of his accomplishments for Libya, and his vision for a free Africa.

And there is more:

Web link gives numbers of foreign born workers in Libya.
http://www.bbc.co.uk/news/world-middle-east-12552374

If the numbers are to be believed and if we take the Egyptian to be “foreigners” there are approximately around 1.8m non-Libyans in Libya.

Taking into account unemployment in 2004 was 30% out of an active population of 1.8 million, so another Libya has been added onto the labour force. What is the real unemployment (at the outset of the uprising) then? 50-60%? (https://www.cia.gov/library/publications/the-world-factbook/geos/ly.html)

The delay in the US intervention compared with the European gung-ho-ism in this context can be interpreted as haggling over whether Qadaffi - had reached his use-by date, because he was increasingly unable to control the - totally natural - unrest, particularly in the context of the very dangerous, for the Zio-West, general Arab unrest/anti-Zionist revolutions of the time, arising particularly at the worse-off provincial periphery.

So the Ziono-Imperialist NW Orderists, eventually in a unified way, rooted for the other main force in the Arab/Muslim world - Islamic Fundamentalism. Their choices, after all, are limited, given the fact that the political consciousness/institutions in all the Arab World have been determined by their being serially raped since the turn of the Nineteenth Century (at least).

They hope to negate and enrich themselves by the destruction of the better - often admirable - features and plans of the Qadaffi years. In doing that they back a mix of fake (Al Qaeda) along with - very genuine - Islamic fundamentalists with or without hostile tribal motivations.

We'll see.

Here is another one of your memorable brain flashes, relating to Gaddafi:

"…much of the hostility to him from the Libyan population arose from that fact…" (the fact being, according to your perception that Gaddafi was implementing the Zionist New World

Order in Libya, trying to turn the Libyans into Jewish slaves!)

On this thread here you can find several links to Gaddafi`s speech on green place, with a quarter of the entire Libyan population showing up to support this man.

Also on this thread I have found three or four links to the open car trip of Gaddafi and the jubilating population by the roadside.

Since Kennedy`s murder, American Presidents can no longer make such car trips through US towns and are trying to avoid exposing themselves to the broad public. Gaddafi had no problem with that.

Apparently he didn't realize how much the Libyans hated him. But thanks to the illuminati(ions) of JA we now know all about it.

So, JA, don't be afraid. Just state it a little clearer what your agenda is and what your real message is?!

October 25, 2011 @ 4:21 am

I think Patrick's comment is closer to reality than most others.

From where I stand it looks very similar to what happened with other Arab leaders before. Most -if not all- of what happened in the Middle East for the past century goes in line with the plan of UK's PM Henry Campbell-Bannerman in 1905 to divide and weaken the Arab world to ensure they would not unite and conquer Europe again, as it is very clear in his infamous quotation:

"There are people who control spacious territories teeming with manifest and hidden resources. They dominate the intersections of world routes. Their lands were the cradle of human civilizations and religions.
These people have one faith, one language, one history and the same aspirations.

No natural barriers can isolate these people from one another... if per chance, this nation were to be unified into one state, it would then take the fate of the world into its hands and would separate Europe from the rest of the world.

Taking these considerations seriously, a foreign body should be planted in the heart of this nation to prevent the convergence of its wings in such a way that it could exhaust its powers in never-ending wars. It could also serve as a springboard for the West to gain its coveted objects."

Two Arab leaders who had a somewhat similar fate as Gaddafi, were Abdul Nasser and Saddam.

Saddam served the west very well. He did many things that prepared Iraq for the current

state it is in.

He fought with Iran over no good reasons at all, crippling both nations for years.

Invaded Kuwait for no good reasons again, giving the west the pretext to invade and occupy Iraq. While he ruled Iraq with an iron fist, he allowed some advancement in several fields.

When his role was completed, his masters went in themselves, captured him (or his double..no difference), executed him in public on Eid day and turned Iraq into a killing field.

Naturally, people everywhere would make a comparison between Iraq with Saddam and without, and reach the logical conclusion that back then, in this “hero’s” days, Iraq was the paradise in which the Iraqis lived better than Westerners.

Abdul Nasser was even better. He did the one thing that ensured we all remain slaves for Israel. He had EVERY means to stop Israel from obtaining its nuclear power but stood still.

In 1973 war, Israel threatened to use nuclear weapons against Egypt; therefore it had no choice but to retreat and give many concessions to Israel. A Dutch/Israeli history professor, Martin Levi van Creveld had this chilling fact for us:

“We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most European capitals are targets for our air force…. We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under.”

Abdul Nasser gave them this power and was later assassinated by his masters. He is still regarded as the biggest Arab hero in modern history.

Gaddafi financed America’s proxy wars for 4 decades. Every child murdered, every woman raped and every man died under torture in civil wars around the globe had some Libyan money into it.

If you like these “heroes” so much, why not spend eternity with them!!!

“It is truly PATHETIC that all you could manage to imply, is that he brought foreign workers into the country; and that this somehow links him to some ‘Zionist based multicultural agenda”!

The fact of the matter is that there is a practice that has developed in the last decades of displacing working people - citizens - with foreign workers.

This is a worldwide phenomenon of greater or lesser intensity depending on the country. In the West, and indeed Libya, it has reached appalling levels to the point where national cultures are affected.

I have little doubt that there is a “Zionist based multicultural agenda” but did not and would not claim that this was involved in Libya.

“HOWEVER and most importantly, NONE of the Zio - NATO - U.S. charges against Colonel Quaddafi are true.”

My emphasis was on the realities of the huge unemployment of Libyans coexisting with huge numbers of foreign workers in the country.

That is a recipe for extreme social unrest waiting to be triggered which it was - largely I would say - by the impact of the concurrent Arab Revolutions in Egypt and Tunisia.

"Many Africans had migrated to Libya, seeking peace, prosperity, and opportunity under the Libyan plan. As would be expected from Quaddafi, being a man of his word..."

.....

They are there when there is mass unemployment amongst Libyans and you think that's OK?

And the same for Mexicans in the USA when Americans, including Black Americans, suffer in the same way as Libyans?

"Other foreign workers that you have cited were there on 'contract'. They were chosen because they possessed the knowledge and skills necessary to fulfill Colonel Quaddafi's vision for Libya, and the African continent.

30,000 Chinese personnel were among their number. These, as the Koreans, were not immigrants, but rather contractors whose intent would be to return to their respective countries when their construction work had concluded."

.....

Surely any government paying for foreign firms out of the Peoples' revenues would insist on a strong component of their own people (with on-the-job training) when the unemployment was so high.

In any case there was a considerable flood of these "contracted workers" - as "refugees" into Europe (along with some repatriations to China) after the hostilities began. Bet they are still there!

"You'll have to do much better than this JA to make the late Colonel look bad, especially in the light of his accomplishments for Libya, and his vision for a free Africa."

His policies on almost open doors labour imports, including immigration, left mass unemployment amongst native Libyans. You are the one looking bad in your endorsement of this which implies endorsement for the same open doors policies in the US and the West.

@Emery

The Jew tactic is to make their enemy your enemy by false flagging events to get the Gentile to rise up and fight the Jews’ enemy for them.

The problem with this is that Gentile blood is spilled for conflict that the Gentile himself does not have.

Also the Jew sees every non-Jew as the enemy which means their tactics lead to all out chaos and catastrophic war.

To the person called Vladimir,

I will thank you NOT to criticise me and insult me regarding matters of which I have had a lifetime of experience.

I wasn't talking about people who were not intellectual giants. I'm addressing embarrassing CRIMINAL IGNORANCE! The kind of inane, imbecile stupidity that gets people KILLED! The kind of putrid stupidity which is a universal insult to the dignity and credibility and competence of our UNITED STATES CONGRESS in the eyes of THE WORLD.

Morons like Johnson do IRREPARABLE damage to our credibility and prestige. Thanks to their ilk - we have become a third world joke!

Any apologist support of such a disgusting display does NOT fit well into the ambience and character of this wisdom seeking group.

The issue with the unconscionably disgraceful conduct of that piece of crap who disgraced his high office was NOT drug use - although he appeared to be drugged out - or drunk.

The issue I was presenting WAS the FACT of the dazzling STUPIDITY of so many Black officials in the Demoncrap Party.

Stupid people in high places should not be tolerated - regardless of whether they are 'Blacks,' 'Whites,' or any other racial identity.

I spent 23 years of my misguided youth in that s–thole trash magnet party of the ignorant and immoral detritus of American society. I'm not proud of it - but at least I got myself out on my own after it appeared hopelessly compromised by evil Jews, brain-dead Blacks, and inbred Rednecks.

I am WELL traveled, and one does NOT see that kind of 'world class' stupidity in most governments of even poor foreign countries.

As to the insinuation that I was belittling Blacks in the military, I made no mention of such a thing. AND, if you are going to start with inane accusations, at least get your facts straight - Mr.

"Our boys and girls in uniform - largely non-Black?"

Are you kidding me - our mercenary, well-paid military is factually LOADED with Blacks.

Going way back in time - my Basic drill sargeant was a Black. One of my first company commanders was Black. Many of the 'blue caps' at airborne school were Black. Half of my company of Basics when I got my own command were Black - and were, for the most part, decent and motivated young warriors whom I was proud of.

Read this:

"A 1982 study published by Martin Binkin and Mark J. Eitelberg, of the Brookings Institution, showed that an astonishing 42 percent of all qualified Black youths enter the military, whereas 14 percent of their White counterparts do. Since the end of the draft the proportion of high school graduates among Blacks entering the Army has consistently exceeded that among Whites."

I am WELL traveled and one does NOT see Johnson's kind of 'world class' stupidity in most - even poor - foreign countries.

If you are going to butt heads with someone who helps run this site - like myself - at least make sense and do your homework and address the issue.

And as far as your insolence, NOBODY on this site speaks to me like a child and tells me to "KNOCK IT OFF" - other than Bro. Nathanael himself - if he so desires, since I am here at his bequest as a board advisor.

SO - you sir - are the one - who can "KNOCK IT OFF"

The hyperbolic, raw and unpolished type of discourse that permeates some of your entries at this site, gives the legions of detractors and Zionist hoot propagandists cause to lable Br. I have also read that Blacks are heavily represented in the military as this was one of the earliest institutions to open up to opportunity. The military has produced many Black colonels, lawyers, doctors and professionals as well as “regulars” filling the ranks.

Some critics have said because of this high representation in the military Blacks inadvertently, with Hispanics, end up actually fighting and dying in most of Americas wars.

At issue here is the criminal and barbaric over-running and pillaging of a legitimate state.

This is outside anything that used to be passed off as norms of international conduct, the “going medieval” on its recognized head-of-state. And its direct connection to the excessively enormous hugeness of this country’s “military industrial complex”.

There is already a barrage of denunciation of Hank Johnson’s perhaps lame attempt at dramatic irony. I do think the implication of the excess of military build-up comes across which is what Johnson was trying to convey, a view on the floor of the House that is sadly otherwise almost entirely absent.

Absent in part because of the shrill, Zio-Neocon screeching for more regime change, but also because of the idiotic nodding couch potato, former high school linebacker, video game playing public that sees this as the best form of sport entertainment yet.

In the face of this, Hank Johnson's comments, while posturing, can actually be seen as commendable and worthy of some support.

'A Brutal, Gratuitous Slaying'

It was a brutal, gratuitous slaying of an almost 70-year-old man, killed after being captured.

And if the intent of 216 days of NATO bombing was to kill him in the first place, which is clearly the case, with the multiple bombings of his compound in Tripoli, which in one case killed one of his sons and three grandchildren, it is clearly targeted killing and I suppose NATO can now claim success.

It has got what it wanted.

President Barack Obama said that there is going to be a pull-out from Libya very soon, so in your mind does that mean the objective has been met?

Yes, it has entirely.

The way Gaddafi was befriended by the US and European Heads of State is evidence for their long-term plan to destroy him.

Purpose was to move Gaddafi to make huge investments in Zionist-owned Western corporations and move billions of cash deposits to Zionist-owned banks in Western countries.

The criminals, who now rule Libya by courtesy of the Zionists and their lackies, are not in a position to enquire about or make an agenda of these vanished Libyan resources.

What is to be concluded from this?

The Western world is ruled by criminal syndicates with the moral standards of common street robbers!

Wotan, great point about the foreign workers.

If Gaddafi was such a oppressive and horrible dictator like the Jewish media and Jewish U.S. puppets claim, why was there 1.5 million foreign migrant workers (out of a population of 6 million) in Libya?

If the Libyan population was so oppressed and been tortured, why weren't so many migrant workers leaving in their droves, like people were leaving East Berlin for example, before they put up the Berlin wall??

And the idea that they were poor workers from poor countries and needed the money, therefore had to put up with 'evil' Gaddafi rule isn't rational, as there are many other more 'liberal' and 'freedom loving' European countries and other countries in the West that accept migrant labour in their droves, that those workers could have gone to instead.

Here's proof that there 1.5 million migrant workers in Libya:

http://www.usatoday.com/news/world/2011-03-07-un-libya_N.htm

"Pandya said there were about 1.5 million foreign migrant workers inside Libya before fighting began, along with thousands of Libyan refugees and asylum seekers — so eventually many more millions in aid might be needed."

———–

Very strange that Gaddafi was supposedly an 'evil, torturous leader' yet somehow migrants workers were flooding to his country (nearly 1/5 of his population), and weren't leaving in the droves to escape his supposedly 'horrible rule'.

King Minotaur of Greece

See, now the migrants are leaving in droves since the American puppet Libyan National Transitional council has taken power.

And just in Berlin Wall style, the National Transitional council Al-Qaeda terrorists are preventing the migrant workers from leaving Libya, under the guise of 'weeding out Gaddafi loyalists.'

Dear Fola,

“Misrata Tribe” might also have something to do with this very interesting item about a rebel ‘Libyan al-Qaeda’ (al-CIAduh, best I can figure) senior member named Shaykh Jamal Ibrahim Ishtawi al-Misrata from The Jamestown Foundation:

SENIOR LIBYAN AL-QAEDA LEADER CALLS FOR ISLAMIC STATE AFTER QADDAFI

An al-Qaeda media front has released a statement from a senior member of the core command regarding the goals of the Libyan revolt. Shaykh Jamal Ibrahim Ishtawi al-Misrata (a.k.a. Atiyyatullah) delivered a sharp critique of Mu’ammar al-Qaddafi in the ten minute, 44 second videotape featuring audio and a still photo of the Libyan native of Misrata (Global Islamic Media Front, March 26). [1] youtube.com/watch?v=jkaNL2ZVg6g

Al-Misrata begins his message with a dose of anti-Qaddafi invective, calling the Libyan leader a taghoot (one who rules without recourse to Islamic law), an “ignoble hallucinator who has embarrassed us in front of the whole world,” a “pharaohonic lunatic” and a “scumbag [who] has ruined the image of Libya and its people.”

The Libyan al-Qaeda member addresses his “Muslim brothers in Libya” in a series of six messages: [see website]

Found on Sem 40 Central Jewish Resource published in Russia, just so this article sketching the Libya Conflict-Israel-France triangle (originally on AFP/Yahoo news, now 404′d) dated 03062011 is not completely lost down the memory hole.

French writer passes Libya rebel message to Israel

French writer Bernard Henri Levy said he delivered a message on Thursday from Libyan rebel leaders to Israel's premier saying they would seek diplomatic ties with Israel if they came to power.

Levy told AFP he passed on the verbal message from Libya's National Transitional Council during a 90-minute meeting with Prime Minister Benjamin Netanyahu in Jerusalem.

"The main point was that the future Libyan regime would be moderate and anti-terrorist and will be concerned with justice for the Palestinians and security for Israel," Levy said.

"The future regime will maintain normal relations with other democratic countries, including Israel," he added.

Levy, who helped engineer France's recognition of Libya's fledgling rebel authority, visited the rebel-held Libyan city of Misrata last weekend.

He said on Thursday that Netanyahu "did not appear surprised" at the content of the Libyan message.

Netanyahu's office confirmed the meeting with the French writer and philosopher but did not comment on the discussion. "The prime minister likes to meet intellectuals," a spokesman said.

In early March, Levy went to the eastern Libyan town of Benghazi, days after its capture by rebel forces.

He met members of the just-formed National Transitional Council and arranged for some of them to meet French President Nicolas Sarkozy in Paris on March 10.

At the end of that meeting, which Levy attended, France became the first country to recognise the provisional body as legitimate and to call for targeted air strikes against Libyan leader Muammar Qaddafi's forces.

The One-State Solution
By Muammar Qaddafi, Brother Leader of Libya

The [Jews’] New York Times

2009.01.21 (Online; a version of this article appeared in print, in the New York edition of 2009.01.22, page A33.)
[…]
A just and lasting peace between Israel and the Palestinians is possible […]

Jews and Muslims are cousins descended from Abraham. Throughout the centuries both faced cruel persecution and often found refuge with one another. Arabs sheltered Jews and protected them after maltreatment at the hands of the Romans and their expulsion from Spain in the Middle Ages.
[…]
The basis for the modern State of Israel is the persecution of the Jewish people, which is undeniable. The Jews have been held captive, massacred, disadvantaged in every possible fashion by the Egyptians, the Romans, the English, the Russians, the Babylonians, the Canaanites and, most recently, the Germans under Hitler. The Jewish people want and deserve their homeland.
[…]
A two-state solution will create an unacceptable security threat to Israel. An armed Arab state, presumably in the West Bank, would give Israel less than 10 miles of strategic depth at its narrowest point.
[…]
It is a fact that Palestinians inhabited the land and owned farms and homes there until recently, fleeing in fear of violence at the hands of Jews after 1948 — violence that did not occur, but rumors of which led to a mass exodus. It is important to note that the Jews did not forcibly expel Palestinians. They were never “un-welcomed.”

[…] there are Israeli settlements in the West Bank. Israeli factories depend on Palestinian labor, and goods and services are exchanged. This successful assimilation can be a model for Isratine.

Dear in Christ,

I greet you in the most highly exalted name of our Lord and Savior Jesus Christ.

God has privileged me to send this e-mail for your kind co-operation for the extension of the kingdom of God. If God inspires you please have your involvement in the way God enables you and strengthens your hand.

Years are passing very quickly. We know that our dear Lord’s coming is very imminent. We are seeing the signs of His advent. But still there is still a lot of Gospel work to do. A number of precious souls are perishing before our eyes with out knowing Jesus.

Our ambition is to reach every nook and comer and promote the Gospel to every perishing

soul. In this regard I request you to have your involvement in the way that our Lord inspires you and enables you.

You know that India is a country of idolatry and superstitions. Indians worship more than 35 million gods and goddesses. Out of one billion Indians only 2.4% are Christians.

There have been endeavors to root out Christianity from India. We sense that in the coming days the doors for Gospel work in India will be closed, Christianity will not be allowed.

Before that happens we wish to do as much Gospel work as we can and save as many perishing souls as we can. In this regard I request you very humbly to have your partnership in the Gospel work in India.

If it is possible for you please visit India to share the Gospel with our people, community activities and encourage missionaries to visit India in teams to have a thunder bolt on the darkness of the enemy and lead many in the light of salvation. Your regular prayers are more important.

Jesus said to Peter in John 21:15-17 — “Feed my Lambs.”

We believe that it is the will of our Heavenly Father to feed His Lambs. The Organization deals with organizes, help the aged and the widows, health care etc., please encourage me with your kindest reply for which God will surely reward you. I await your kind reply prayerfully and hopefully.

Thanking you,

Your Brother in the wonderful love,

Sukumar .S

Hi, I want to reply to Snowy Smith South Africa.

Sorry my friend, all points you said are opposite. If Muammar Qaddafi did all these things that means he is the best, but I am Libyan, and am a poor man in my country that has oil, but I know why you said that.

You are from South Africa and he tried to help you all the time with our money going to your banks. You wanted him to stay, but sorry your dreams are gone with him and we will start our life in freedom. Our oil and our money are for us not for you….
